COORDINATION OF BENEFITS

The Policy will coordinate benefits as outlined in the Master Policy.

CONTINUOUS INSURANCE

Persons who have remained continuously insured under the Policy, and have prior creditable coverage, will be covered for a Pre-existing Condition that originated while so continuously insured, provided continuous insurance is maintained.

Previously Insured persons who are re-enrolled for coverage within 63 days of termination of prior coverage, will have maintained continuous coverage. A person who is not so re-enrolled will have a break in continuous insurance and will not be covered for any Pre-existing Condition that originated before or during such break.

The total benefits payable under the Policy, for any one Injury or Sickness, shall not exceed the "specified" Maximum Benefit amounts.

"Prior Plan" means the group or blanket accident and sickness Student Health Insurance policy or policies issued to the Policyholder immediately before the current Policy.

"Injury" or **"Sickness"** shall include an Injury sustained, or a Sickness first manifesting itself, while the Insured Person is continuously insured under the Prior Plan and became insured under this Policy without a break in coverage.

No Benefits shall be payable for such Injury or Sickness to the extent that such benefits are payable under the Prior Plan for the same expenses. This will apply even though the Prior Plan provided that it will not duplicate the benefits under another Policy.

Previously insured Eligible Students and Dependents must re-enroll for coverage within 30 days of the end of the prior coverage in order to avoid a break in the coverage for conditions which existed in prior Policy Years. Nothing contained herein shall be held to vary, alter, waive, or extend any of the provisions, exclusions, and other terms of this Policy, except as provided above.

OPTIONAL - ADDITIONAL PREMIUM REQUIRED DENTAL/VISION/PHARMACY DISCOUNT PLAN

(Additional premium required)

- No Claim Forms
- No Waiting Periods
- No Pre-existing Conditions
- No Deductibles or Maximums
- No Age Restriction
- Discount is immediate at time of service**
- Over 100,000 participating providers nationwide

The Co-Health Group Collegiate plan has been specifically designed to meet the needs of today's College and University students, whether they are incoming freshmen, graduate, evening students, international or domestic students attending Austin Community College.

The Co-Health Benefit Plan provides discounts in certain health care areas not normally reimbursed by insurance. In the "Collegiate Plan" we are offering the Vision, Dental and Pharmacy Discount Program as a single package of Benefits, or you may purchase discounts for pharmacy or vision separately. Here's how the plan works.

This is not an Insurance Plan. The Co-Health Group Collegiate Plan is a Discount Care Plan offering discounts and savings for Vision, Dental and Prescription Pharmacy expenses.

Each of the benefit programs (Vision, Dental, and Prescription Pharmacy) has a network of Providers (for example, the participating dentists in the Dental Plan.) As a member of the Plan you can go to any of the providers listed and purchase their products or services on a negotiated discount basis. You receive your discount/savings on the spot. There are no exclusions for "pre-existing" conditions. There are no claim forms to fill out and no paperwork to be filed. Simply show your Co-Health membership card at the time of your scheduled appointment or at a participating pharmacy.

The discounts you will receive are substantial and these savings can be very important to you. The services that make up the Collegiate Plan (Vision, Dental and Pharmacy) are also the three most common areas where you will have unexpected expenses. With our Benefits, you can substantially reduce your out of pocket expenses, and as an added bonus, you can use our plan benefits anywhere in the United States, except the State of Washington.

You simply show your Co-Health ID Card and get your discount on the spot.
