The policy is subject to the laws of the state in which it was issued. Please keep this information as a reference. Policy Number: CLSP0025-11

STUDENT INSURANCE COVERAGE

This revised plan provides insurance protection in the event you incur medical expenses for a covered Injury or Sickness. Worldwide coverage is provided on a 24-hour a day basis, at home, at school or while traveling during the entire period for which premium is paid. Unless you have waived protection, the plan is effective August 15, 2011 or the date your premium payment is received, through September 1, 2012.

Student insurance provides benefits at reasonable rates. Compare this plan with whatever medical insurance plan you may now have. This plan, or your waiver, is required.

Coverage remains in force even though you leave school. Refunds are made only in the event of entry into the Armed Forces.

ELIGIBILITY

All students are eligible to participate in this Plan. Students who do not complete a waiver providing their health insurance information will be automatically enrolled in this insurance plan and the fees will be added to their bill. Students must complete the waiver form online at www.NorthPark.edu/Insurance by the waiver deadline. The waiver deadline is September 30, 2011.

DEPENDENT ELIGIBILITY

Students who enroll may also enroll their eligible dependents. Eligible Dependents means: the student's legal spouse and unmarried children less than 19 years of age, who are not self-supporting, including a step-child, legally adopted child, a child of adoptive parents pending adoption proceedings. Dependent children will continue to be eligible for coverage if at the age of 19 the child is (1) incapable of self-sustaining employment by reason of mental retardation or physical handicap and (2) chiefly dependent upon the student insured for support and maintenance. Proof of the incapacity and dependency shall be furnished to the insurer by the Insured within 31 days of the child's reaching age 19. Continued proof shall be furnished to the insurer on an annual basis thereafter.

NEWBORN CHILD

All newborn children of the Insured Student are automatically covered at birth for 31 days for the same benefits as provided to the Insured Student. Coverage applies for any Injury sustained or Sickness commencing during the 31-day period from the date of birth including medically diagnosed congenital defects, birth abnormalities, prematurity and routine nursery care associated with a Sickness. The Insured Student may continue coverage beyond the 31 days by enrolling the newborn within the 31-day period from the date of birth.

An adopted child of the Insured Student is covered on the same basis as a newborn child from the date of placement for the purpose of adoption. Coverage continues unless the placement is disrupted and the child is removed from placement.

EFFECTIVE AND TERMINATION DATES

The insurance becomes effective at 12:00 a.m. on August 15, 2011 for annual coverage, or the date on which your premium is received, if later, and continues until the end of the period for which premium has been paid, but is not later than September 1, 2012.

This Plan may be replacing a Prior Plan with another insurer. Prior Plan means (a) the Student Health Insurance policy or policies issued to North Park University immediately before the current Plan; and (b) other policies providing Creditable Coverage as defined in this Plan. Injury or Sickness shall include an Injury sustained, or a Sickness first manifesting itself, while the Insured Person is continuously insured under the Prior Plan and became insured under this Plan without a break in coverage. But no benefits shall be payable for such Injury or Sickness to the extent that such benefits are payable under the Prior Plan for the same expenses. This will apply even though the Prior Plan provided that it will not duplicate the benefits under another Plan. Also, the total amount of benefits payable for Injury or Sickness under this Plan and the Prior Plan cannot exceed the Per Condition Aggregate Maximum.

NOTE: A Preferred Provider Network provision has been implemented for the 2011-2012 policy year. PHCS is a national network available in the continental United States. Please select a preferred provider in order to receive the highest reimbursement for your medical expenses.

www.NPUInsurance.com

PHCS PREFERRED PROVIDER NETWORK

In order to use the services of a participating provider, you must present your insurance identification card.

You should always confirm that a Preferred Provider is participating at the time services are required (by asking the provider when you make an appointment for service).

Services rendered by Network Providers allow the Insured Person to maximize the benefits offered under this plan.

Assignment of a network physician does not guarantee eligibility or the right to Student Health Benefits.

A complete listing of participating providers is available on the web at: www.NPUInsurance.com

IMPORTANT: BASIC BENEFITS PAID AT 100% OF THE PREFERRED ALLOWANCE FOR NETWORK PROVIDERS, 80% OF THE REASONABLE AND CUSTOMARY EXPENSE FOR NON-NETWORK PROVIDERS; MAJOR MEDICAL BENEFITS PAID AT 80% OF THE PREFERRED ALLOWANCE FOR NETWORK PROVIDERS, 60% OF THE REASONABLE AND CUSTOMARY EXPENSE FOR NON-NETWORK PROVIDERS.

The Co-Health Group Collegiate plan has been specifically designed to meet the needs of today’s College and University students, whether they are incoming freshmen, graduate, evening students, international or domestic students attending North Park University.

The Co-Health Benefit Plan provides discounts in certain health care areas not normally reimbursed by insurance. In the “Collegiate Plan” we are offering the Vision, Dental and Pharmacy Discount Program as a single package of Benefits, or you may purchase discounts for pharmacy or vision separately. Here’s how the plan works.

This is not an Insurance Plan. The Co-Health Group Collegiate Plan is a Discount Care Plan offering discounts and savings for Vision, Dental and Prescription Pharmacy expenses.

Each of the benefit programs (Vision, Dental, and Prescription Pharmacy) has a network of Providers (for example, the participating dentists in the Dental Plan.) As a member of the Plan you can go to any of the providers listed and purchase their products or services on a negotiated discount basis. You receive your discount/savings on the spot. There are no exclusions for “pre-existing” conditions. There are no claim forms to fill out and no paperwork to be filed. Simply show your Co-Health membership card at the time of your scheduled appointment or at a participating pharmacy.

The discounts you will receive are substantial and these savings can be very important to you. The services that make up the Collegiate Plan (Vision, Dental and Pharmacy) are also the three most common areas where you will have unexpected expenses. With our Benefits, you can substantially reduce your out of pocket expenses, and as an added bonus, you can use our plan benefits anywhere in the United States, except the State of Washington.

You simply show your Co-Health ID Card and get your discount on the spot.
