**WHEN YOU ARE IN NEED OF MEDICAL TREATMENT-
NO PRE-AUTHORIZATION REQUIRED**

1. **In a true emergency** where without immediate medical care, (a) you would place your health in *significant* jeopardy; (b) there would be *serious impairment* to bodily function; (c) *serious dysfunction* of any bodily organ or part; (d) you are in *inadequately controlled pain*; or if with respect to a pregnant woman, you are having contractions or there is a threat to the health or safety of your unborn child, **please seek immediate medical attention from the nearest hospital emergency room.**
2. **In non-emergency situations, you are enrolled in a plan with a Preferred Provider Network, you will want to obtain your medical treatment from a provider in the Network, which will result in a higher reimbursement.** The name of the Network will be shown on your Identification Card as well as in the student insurance brochure.
3. Go to the AIP website, www.NPUInsurance.com. "Click" on Preferred Provider. The page will bring you to an option to *Search for a Doctor or Hospital near you*. You may search for a doctor, or a hospital/facility, or you may search by medical treatment specialty. You will insert your zip code anywhere in the United States, and a list of providers will come up. *Please confirm with the doctor's office or hospital that they remain contracted with the Preferred Provider Network when you make your appointment for medical service.* **The name of the Preferred Provider Network, and any applicable co-payments due to the hospital emergency room or doctor's office, are shown on your Identification Card.** (Many doctor's offices will take your co-payment at the time of medical service. Most emergency rooms will not ask for the co-payment during your visit. The emergency room co-payment will be deducted from the reimbursement you receive from the Claim Office.)
4. *You need to bring your Identification Card to present to your provider at the time of medical service.*

HOW DO I OBTAIN MY PRESCRIPTION MEDICATION?

Your health insurance program provides a Prescription Drug Card through Optum Rx. You must pay the co-payment shown on your ID Card to your pharmacist when you fill the prescription.
